Academic Connections provides an opportunity for high school students with a 3.3 (or above) weighted cumulative GPA to get a jump start on the college experience. We invite students to explore the best UCSD has to offer. Students choose from the diverse courses offered online or in-person. Online classes will be taught live via zoom. Students are expected to be active and engaged for 3 hours a day, 15 hours a week for online courses. In-person classes meet five hours a day, with a maximum of 25 students per class, to ensure quality interaction with instructors and instructional assistants. Academic Connections instructors are typically UCSD doctoral students who design and instruct the course. This engaging combination brings freshness and excitement to the classes.

In-person students will have the opportunity to stay on campus for 3-week and participate in activities in the afternoon, early evening and weekends. These activities include sports, arts and crafts, music, dances, talent shows and more. Participants are encouraged to take advantage of the resources the beautiful UC San Diego campus has to offer. The resident halls are staffed with an experienced and trained Resident Dean, Assistant Resident Dean and Residential Assistants who, between them and the instructors, provide 24/7 supervision of the students.
